Lake View,

26th October 1920.

My dear Mr.Banerji,

Mr.Barton wishes to discuss certain important questions like the Surplus Revenues of the Assigned Tract, the agreement between Mysore and Madras Govt: in the matter of the royalty paid by us to the latter for the power generated at Sivasamudram, the constitution of the Indian Institute of Science and one or two other matters. As these are ~~question~~ questions which you have studied in connection with your recent deputation to Simla and as I have not got time just now, I have suggested to Mr.Barton and he is agreeable that you should meet and discuss these questions with him. He suggested 10 o'clock this morning. Will you kindly make it convenient to meet Mr.Barton at the appointed time and oblige?

Yours sincerely,

Sd. M.Kantaraja Urs.

P.S. Thanks for the 5 copies of your Simla Deputation notes. I am submitting one copy to His Highness.

The Gandabherunaa decorations also is one of the questions he wishes to speak upon, particularly the medals awarded to the Military recently. Your letter when I was on leave, he said, was not quite clear to him on one or two points.
